HaulProof

FRAUD & COMPLIANCE REPORT · OCTOBER 2026

Freight fraud now steals identities, not just loads.

What the public records showed in one month, on both sides of the border.

6,230

US-registered carriers had their operating authority involuntarily suspended. **3,297** of them over a cancelled insurance filing.

2,936

active carriers match a carrier in bad standing on two or more kinds of contact or ownership detail: the chameleon pattern.

1,199

carriers changed the phone or email on their FMCSA record in just six days, Oct 26 to 31. **286** emails moved to a different domain.

2,647

out-of-service orders issued by the FMCSA during the month.

1,666

Quebec carriers without the right to operate (CTQ)

203 · 639

Ontario carriers rated Unsatisfactory · Cancelled by the MTO
